Jason Layden, celebrity dance fitness trainer was born with a natural talent for dance. In 2012, he decided to blend his love for dance with his interest in fitness and began teaching cardio dance classes. Jason realized that the incredible cardio and calorie burning benefits of plyometrics, or jump training, were missing from traditional dance classes. Thus, he seamlessly blended high-energy, easy to follow dance moves with the intense plyometric training of elite athletes and PlyoJam was born. Quickly realizing that people were falling in love with PlyoJam

and that others wanted to jump on board, Layden and his team created an online certification program so that dance fitness enthusiasts could become certified in this amazing fitness concept. Loved by celebrities such as Reese Witherspoon and Kate Hudson, PlyoJam has been named as one of the top trending workout classes in the country by SELF Magazine.

Allison Lilly is a choreographer and fitness leader in Charlotte NC. She is a lead choreographer for NC Dance District and teaches at the Dowd YMCA.
